

# Sun Prairie YMCA Youth Center

---

August 3, 2009

Dear Friends,

Preparations are underway for our 4th annual Sun Prairie's Most Haunted House, which will be held the last three weekends in October.

The Sun Prairie Youth Center provides a SAFE environment for our kids to attend after school from 3pm - 6pm. Fund raising events, such as the haunted house, allows us to keep our doors open and provide many activities for our kids.

The youth love this event. They participate in building, decorating and acting from the beginning of September until the end of the event.

We would appreciate your help in making this event a successful one.

Things we need

- \$500 sponsor for Volunteer T-Shirt - your logo on the shirt
- \$250 sponsor for our tickets - your logo on the tickets
- Money needed to purchase building materials
- Money to feed the crew on work days and each night of the event

Sponsors of \$250 or more will be on the front page of our website, posters and flyers. All other sponsors will be listed on the sponsor page of our website. Please visit our website at:

We truly appreciate what you can give and know that our kids in our community also appreciate your generous support. Thank you.

Sincerely,

Dan Moritz,
