Sun Prairie's Most Haunted 2011 Rules

Please read and sign this rule sheet and turn it in with your permission slip.

Youth must attend the final meeting/dress rehearsal, unless given prior excused absence from staff. Meeting time and date will be announced at a later time.

No smoking anywhere on the premises, including outdoors. Smoking by those under 18 is illegal...just a reminder.

No leaving the Haunted House premises after you are there for the night, unless you have received permission from your group leader. If you are leaving early to go home, or you don't feel well, you must tell a staff member.

No leaving your assigned area without permission from your assigned group leader. This includes restroom visits, breaks, or going to visit friends in other parts of the haunted house.

No kissing, hugging, sitting on each others laps, or any other type of romantic behavior at the event. This is Halloween, not Valentine's Day.

No swearing or talking about inappropriate subject matter.

No physical or verbal fighting with anyone.

Do not bring dangerous objects such as lighters, knives, or weapons of any kind into the house.

You must be in the group you are assigned, and play the character you are assigned. Changing groups is not negotiable.

Costumes are a must. You must wear a costume consistent with the area you are assigned. We have to use a mix of masks and make up. If you are assigned a mask for that night by a staff member, you must wear one.

No touching the customers touring the house for any reason. If someone touches or hits you on purpose, let a staff member know and security will handle it.

No speaking disrespectfully to the customers, or talking inappropriately to them.

If you have a concern, or need help with anything—feeling sick, transportation, want to go on break, having a problem with someone—go to a staff person.

You must be at the Haunted House between 5:00 and 5:30pm and stay until the house is closed, normally between 10:30 and 11:00. Coming late and leaving early is not okay. Please have your ride arranged beforehand, and make sure that they are there before 11:00.

I have read and agreed to follow the rules listed above. I realize that if I break any of these rules, I may not be able to participate further in the Haunted House.
